BE IT ORDAINED BY THE CITY OF ST. LOUIS AS FOLLOWS:

SECTION ONE: Subject to the terms and conditions hereinafter set forth the "air rights" or "air space" above that portion of Busch Place which is described as follows:

Air rights above a tract of land being 15 feet wide located north of Arsenal Street, over Busch Place, of the City of St. Louis, Missouri; said being more particularly described as follows:

Beginning at the intersection of the north line of Arsenal Street, 60 feet wide, and the west line of Busch Place, 60 feet wide; thence north 35 degrees 08 minutes 00 seconds east (bearings are based on the Mill Creek Valley Coordinate System), along the west line of Busch Place, a distance of 167.90 feet to the point of beginning; thence continuing north 35 degrees 08 minutes 00 seconds east, along the west line of said Busch Place, a distance of 15.01 feet; thence crossing Busch Place, south 56 degrees 31 minutes 30 seconds east, a distance of 60.02 feet to a point, said point being on the east line of Busch Place; thence south 35 degrees 08 minutes 00 seconds west, a distance of 15.01 feet; thence crossing Busch Place, north 56 degrees 31 minutes 30 seconds west, a distance of 60.02 feet to the point of beginning.

shall be and is hereby vacated. Any right, title or interest owned or claimed by the City of St. Louis therein is hereby relinquished, except as herein provided.

SECTION TWO: Anheuser-Busch Companies, Inc. will construct a utility bridge in the area. Bridge will be a minimum of 16 feet above surface area.

SECTION THREE: An appropriate application shall be filed with the Building Division and there shall be submitted detailed plans for the erection,

construction and use of the buildings, structures and related facilities which are to be constructed over the areas described in Section One.

SECTION FOUR: Notwithstanding any provisions of the Revised Code of St. Louis or the Ordinances of the City of St. Louis to the contrary, the Board of Public Service and the Building Division are hereby authorized and directed to issue building permits for the erection, construction and use of buildings, structures and related facilities, as well as any future additions, alterations or improvements thereto and renewals and rebuildings thereof, in the areas vacated pursuant to the provisions of Section One hereof when the Building Division shall find that:

1. The proposed plans and specifications of such buildings, structures and related facilities are such that said buildings, structures and related facilities will be located within the boundaries of the areas vacated by Section One.
2. The proposed manner of construction pursuant to the proposed plans and specifications of such buildings, structures and related facilities shall be such as to not unduly interfere with traffic on the public right-of-way.
3. Materials proposed in the plans and specifications to be used in constructing the said buildings, structures and other facilities shall be such as are customarily used in projects of this type involving construction over highway rights-of-way.

SECTION FIVE: The present owners and any successors and assigns of the ownership of the real property abutting the areas described in Section One shall be bound by the following terms and conditions:

1. They shall indemnify and hold harmless the City of St. Louis against any liability, loss of damage arising out of, or in connection with the construction, maintenance and occupancy of the buildings, structures and related facilities above the public right-of-way.
2. All construction of and repair and maintenance to the exterior portions of the buildings, structures and related facilities above the public right-of-way shall be performed only at such times and by such methods as Board of Public Service shall permit, except in the case of an emergency.
3. No advertising signs, displays or devices shall be placed above the public right-of-way unless approved by the Board of Public Service.

4. No hazardous or unreasonably objectionable smoke, fumes, vapor or odor shall be permitted to descend to the grade line of the public right-of-way.
5. All buildings, structures and related facilities over the public right-of-way shall be properly maintained so as to safeguard adequately said buildings, structures and related facilities against fire and other hazards.
6. The City of St. Louis or its authorized agent shall have the reasonable right to enter into and inspect all buildings, structures and related facilities maintained over the public right-of-way.
7. All buildings, structures and related facilities located over the public right-of-way shall comply with all regulations imposed by the City of St. Louis to protect against fire and other hazards which would impair the use and safety of the public right of way.
8. In the use of the air space over the public right-of-way, all necessary and appropriate safeguards to protect the public right-of-way shall be provided.
9. All construction in, and use of, the air space over the public right-of-way shall be in compliance with the rules, regulations and requirements established by the Department of Streets of the City of St. Louis.
10. Upon completion of the construction of the buildings, structures and related facilities contemplated hereby, the present owners or its successors and assigns shall furnish the City of St. Louis evidence of fire and extended coverage insurance and public liability insurance during the time the air space over the public right-of-way shall be occupied by the aforementioned buildings, structures or related facilities and such policies of insurance shall be in such reasonable amounts as set by Board of Public Service and shall contain a provision waiving subrogation against the City of St. Louis.

SECTION SIX: An affidavit stating that all conditions of the Ordinance have been accepted must be submitted to the Board of Public Service for acceptance One Hundred Eighty (180) days from the date of the signing of this Ordinance. If this affidavit is not submitted within the prescribed time the Ordinance will be null and void.
